The Real Brokerage Inc. Announces Involvement in Class Action Litigation

TORONTO & NEW YORK, December 28 2023 -- The Real Brokerage Inc. (Nasdaq: REAX) today announced that it has been named as a defendant in a putative class action lawsuit, which was filed in the United States District Court for the Western District of Missouri.

The Company is currently evaluating the complaint and at this time cannot provide further details or comments. The Company believes that additional antitrust litigation may be possible. The Company cannot provide any assurances that results of this or similar litigation will not have a material adverse effect on its business, results of operations or financial condition. The Real Brokerage will continue to monitor the situation closely and will provide updates as more information becomes available and is appropriate for disclosure.
