Former 'Bachelor' Jason Mesnick and Chris Dalto Join The Real Brokerage

Addition brings top-producing Seattle real estate team to Real

TORONTO & NEW YORK - November 29, 2023 - The Real Brokerage Inc. (NASDAQ: REAX), the fastest-growing publicly traded real estate brokerage, announced today that MDG Residential, led by former star of The Bachelor Jason Mesnick and Chris Dalto have joined the company. The nine-agent team has closed 75 transactions valued in excess of \$100 million in home sales since joining forces just over a year ago.

"We are excited to welcome Jason, Chris and the entire MDG Residential team to Real," said Real President Sharran Srivatsaa. "MDG's mantra of serving buyers and sellers throughout Seattle with honesty, integrity and grit with the client always coming out on top aligns with our mission at Real. I'm looking forward to seeing them continue to grow as part of our team."

Mesnick, who was the first single dad to star in The Bachelor, brings more than a decade of real estate experience to Real. During this time, he has ranked as the top real estate professional in Kirkland, Wash., having sold more than 500 homes, including the most expensive condo in the history of Seattle. He partnered with his wife, Molly, a long-time Seattle radio personality from 2013 to 2021, prior to teaming with Dalto in the fall of 2022. In addition to the Mesnicks and Dalto, the team includes Monica Church, Jason Sass, Montana Preston, Devin Leon, Tyler Morgan and RaeAnne Marcum.

"We are real people selling real estate. We've been following the company for more than a year, and have been impressed with the authenticity of everyone we've met. It's what drew us to Real," Mesnick said. "Real offers an opportunity for us to continue to serve our clients while collaborating with and learning from thought leaders throughout North America."

Dalto began his real estate career in 2020, following three years as a Bellevue, Wash., police officer. During his first full year as an agent, he closed more than 45 transactions, earning the distinction of Rookie of the Year. Seattle's *425 Business* named Dalto to its 30 Under 30 cohort of young professionals in 2022.

"I was attracted to the Real community. It gives us the ability to learn from others and have them learn from us," Dalto said, adding that the company's revenue sharing opportunities are an attractive way of tapping into the team's social media presence to build long-term wealth.

The team has amassed a strong social media presence with more than two million followers across Instagram, YouTube and Facebook. Dalto ranks as the top Seattle agent on Instagram with 23,000 followers.

Forward-looking information is often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect", "likely" and "intend" and statements that an event or result "may", "will", "should", "could" or "might" occur or be achieved and other similar expressions. These statements reflect management's current beliefs and are based on information currently available to management as of the date hereof. Forward-looking information in this press release includes, without limiting the foregoing, expectations regarding Real's ability to continue to attract agents.

Forward-looking information is based on assumptions that may prove to be incorrect, including but not limited to Real's business objectives, expected growth, results of operations, performance, business projects and opportunities and financial results. Real considers these assumptions to be reasonable in the circumstances. However, forward-looking information is subject to known and unknown risks, uncertainties and other factors that could cause actual results, performance or achievements to differ materially from those expressed or implied in the forward-looking information. Important factors that could cause such differences include, but are not limited to, slowdowns in real estate markets, economic and industry downturns and Real's ability to attract new agents and retain current agents. These factors should be carefully considered and readers should not place undue reliance on the forward-looking statements. Although the forward-looking statements contained in this press release are based upon what management believes to be reasonable assumptions, Real cannot assure readers that actual results will be consistent with these forward-looking statements. These forward-looking statements are made as of the date of this press release, and Real assumes no obligation to update or revise them to reflect new events or circumstances, except as required by law.
