The Real Brokerage Inc. Opens in Idaho
South Central Idaho Real Estate Broker Desi Williams Named Principal Broker

TORONTO AND NEW YORK -- November 4, 2021 /PRNewswire -- The Real Brokerage Inc. ("**Real**" or the "**Company**") (TSXV: REAX) (NASDAQ: REAX), an international, technology-powered real estate brokerage, today announced its launch of operations in Idaho. Real is now operating in 38 states, the District of Columbia and Canada.

As part of the expansion, the Revista Realty team will be joining Real, with owner Desi Williams as Real's principal broker. Ms. Williams opened Revista Realty in 2017 which has grown into a team of six. Ms. Williams started her career in real estate nine years ago and has continued to grow her business in Idaho over that time.

"This is an exciting time for our team to be joining Real," said Real Principal Broker, Desi Williams. "With Idaho as a fast growing market in the United States, we feel that Real has the technology, opportunities and people to help support our business and our agents at Revista. We are excited to join Real to continue our growth."

Idaho is quickly becoming a growing real estate market in the U.S. According to the National Association of Realtors, Boise was identified as one of the top 10 commercial office markets for the third quarter of 2021 in its monthly [Commercial Market Insights](#), signaling more people moving in or around the city into Idaho as office buildings are also filled.

"We see the western United States as a very important area for Real to expand to and Idaho adds to that growth," said Real co-founder and CEO Tamir Poleg. "The Revista team, with Desi William's leadership, can play a key role in building strong relationships in this area, increasing our footprint, and setting Real up for future success in the state and the areas surrounding it."
