**The Real Brokerage Inc. Opens in Montana**  
*Bozeman Area Real Estate Broker Courtney Foster Named Principal Broker*

TORONTO AND NEW YORK -- September 30, 2021 /PRNewswire -- The Real Brokerage Inc. ("**Real**" or the "**Company**"), an international, technology-powered real estate brokerage, today announced its launch of operations in Montana. Real is now operating in 35 states, the District of Columbia and Canada.

As part of the expansion, Real has appointed Courtney Foster of Referred Realty Group as Real's principal broker in Montana. Ms. Foster has been licensed since 2006, originally in Texas. In 2013 Ms. Foster started an independent broker in the Houston area. After moving to Bozeman, Montana in 2015, Ms. Foster maintained her business in both Houston and Bozeman until 2019 when she decided to focus solely on Montana. Ms. Foster is licensed as a Luxury Home Marketing Specialist, Certified Negotiation Expert and a Graduate of the REALTOR(R) Institute.

"The combination of high-tech focus and human kindness that Real brings to the table works perfectly with my business and with Montana," said Montana Principal Broker, Courtney Foster. "Over the past two years, we have seen how critical a tool technology can be, but we also saw how ready many people were to get out and explore more. Real's technology will put us in a position to best support the growing Montana market."

"Montana has been a popular state for real estate, especially throughout COVID-19," said Real co-founder and CEO Tamir Poleg. "Montana has attracted families, retirees and even celebrities to seek real estate within the state. Real is looking forward to being part of the Montana real estate industry. Courtney will play a key role in working with new and existing agents as we establish our Montana operations."
