The Real Brokerage Inc. Appoints Raj Naik as Chief Operating Officer
Technology Entrepreneur Executive to Grow Brokerage Operations

NEW YORK AND TORONTO -- November 15, 2021 /PRNewswire -- The Real Brokerage Inc. ("**Real**" or the "**Company**") (TSXV: REAX) (NASDAQ: REAX), an international, technology-powered real estate brokerage, today announced that Raj Naik will join its management team as Chief Operating Officer.

Naik will be responsible for driving operational efforts, growth initiatives, and transforming the service level offered to the agents supported by Real's technology platform. As the organization continues to scale, Naik will tap into his two decades of experience leading fast-growing business units to guide Real through its next pivotal phase.

"I was looking for a company that had interesting and proven technology in place, but also had a strong desire to keep developing cutting-edge solutions," said Real Chief Operating Officer, Raj Naik. "Simply put, Real checked those boxes. There is no reason Real cannot be the dominant player in the market, as the company expands into more states and international markets."

Naik has been an entrepreneur and technologist for over 20 years. Naik joins Real from Workrise (previously RigUp), a workforce management platform for the skilled trades, where he served as Managing Director for its construction business unit and was a member of the executive leadership team. Naik also spent nearly four years at Uber holding senior leadership positions in the rides, vehicle solutions and UberEats business units. Prior to Uber, Naik held executive or founding roles at start-ups in election software, family safety technology, and business performance and compliance software. Naik founded his first company with friends while studying at the University of North Carolina at Chapel Hill, later sold to Oracle.

"On behalf of everyone at Real we are looking forward to having Raj join the executive team," said Real co-founder and CEO Tamir Poleg. "We are confident that Raj can help grow our business through his extensive experience and background. Raj also fits right into the welcoming and people-oriented culture of the Real family."
